

Bergens Fektekklubb

Bergens Fektekklubb are seeking: Full time epee fencing coach

Salary: Competitive (depending on experience)

Contract - Three years (with the possibility to make it permanent)

Who we are?

Bergens Fektekklubb are situated in Bergen, Norway. We only have epee fencing and have active fencers from 7 to 76,

We are an ambitious fencing club that strives to be the best fencing club in Norway, offering first class and professionally coached fencing lessons for all ages. The club offers epee lessons for beginners and experienced fencers. The club provides high quality training for fencers of all ages.

Your Role

Bergens Fektekklubb are looking for a fencing coach with high performance sport ambition, who will engage with and develop our fencers as a member of our team of coaches.

We are looking for an organised team player who can work collaboratively and efficiently to provide strategic direction, leadership and management of the fencing programme at our club. You must be able to organise and connect with our fencers so that they get the most out of your sessions in an enjoyable and safe environment. You must also be able to give advanced lessons to our top fencers trying to qualify to the national team.

Our coaches use a variety of techniques, including group lessons and individual lessons for beginners and our more competitive fencers. All sessions must adhere to safety and welfare standards.

You should have a positive personality and will enjoy teaching children. You must be able to speak English well enough to talk to the fencers both on a personal level and when teaching them, and willing to learn Norwegian (in time)

Skills and experience

- Successful experience of epee coaching
- Excellent knowledge of long term development practices for young fencers
- Willingness to contribute to fencing competitions, fencing camps and other events
- Ability to communicate with pupils, parents and colleagues
