Information Letter no. 06-2015

Dear Member Federation,

the referees for the European U-23 Championships (22.-26.04.2015) in Vicenza were designated as in attached list, marked in orange. The 8 Italian referees are automatically nominated according our championship rules.

As you can see the referees commission has selected in general only referees who can work in at least 2 weapons. Those names marked in yellow are possible reserve referees in case a selected referee does not confirm his designation. This will be asked by our Technical Director in a separate email to all selected ones.

Referees for the 2015 Senior Championships in Montreux will be selected at a later date

Best regards, Max Geuter
