Call for candidates – EFC Tournaments for the season 2025/2026

Information Letter no. 12-2025

Dear Member Federation,

After the FIE published its Calendar for the season 2025/2026, we are starting the procedure of selecting the EFC tournaments in all age categories (U14, U17, U23).

The season starts on September 1, 2025 and finishes on August 31, 2026.

In order to apply to host an EFC tournament Member Federations which are in a good standing are invited to submit their applications by completing attached application form (s) and submitting to the European Fencing Confederation before **April 10th**.

Based on the submitted applications the Executive Committee will select organisers and will publish the EFC Calendar soonest possible.

While traditional tournaments hold certain priority, we will also rely on feedback from previous years. Organizers must ensure a smooth execution of the event, guaranteeing that no competition finishes late. It is therefore important that organizers verify they can install the required number of pistes and provide adequate space for safe organization. Furthermore, organizers must be prepared to confirm the competition within one week following notification from the EFC.

Best regards,

Pascal Tesch
