Referees for C&J European Championships in 2022

Information Letter no. 21-2021

Dear Member Federation,

we are starting the process of selecting referees for Cadet and Junior European Championships which are to be held in Novi Sad (SRB) between February and March.

Please consider to nominate referees with two FIE licenses. According to the rules, Local Organizing Committees covers all relevant costs.

Before you nominate referees, you are kindly requested to make sure that proposed referees are available as nominated referees must confirm the final acceptance of their designation within 7 days after receiving the official notification from the EFC. Please be informed that when a referee does not confirm his acceptance within established deadline, the EFC will replace that referee automatically. All other rules you will find in the EFC Administrative Rules. 

Attached to this letter you will find xls file which have to be duly completed and received by the General Secretariat **by October 28.**

The EFC Referees Commission will propose the list of referees during the nearest meeting and will ask the EFC Executive Committee for the approval.

Best regards,

Jacek SLUPSKI
Secretary General
