The Rhine Fencing Association is one of the largest and most successful regional state associations in the German Fencing Federation. In all six disciplines of sport fencing, the Rhineland Fencing Association is a national leader and provides the majority of all participants in major international events. All fencers in the region have a very wide range of options to choose from.

For the supervision of state and national squad fencers, we are looking for a dedicated

State Fencing Coach (m/f/d) – Epee (full-time)

Your tasks:

- Participation in the development of a consistent education and training system for the systematic discovery of talents and the development and promotion of competitive epee athletes at the State Training Center Leverkusen,
- Independent planning and implementation of training sessions, individual lessons, and training camps for national squad athletes at the location,
- Regional, national, and international competition support,
- Creation and implementation of concepts for the sustainable promotion of young talents; support in the implementation of TSV Bayer 04 Leverkusen's own club projects,
- Supporting the club coaches at the location and surrounding clubs in the planning and implementation of concepts created in children's and youth competitive sports,
- Planning and implementation of state training (U13 - U20) at the State Training Center Leverkusen,
- Promotion and development of state squad athletes with the aim of transferring them to the national squad,
- Supporting the state teams (U13/U15) and state squads in the individual at German championships,
- Screening fencers from other neighboring clubs at state tournaments and inviting them to train at the State Training Center Leverkusen,
- Strengthening cooperation with the other epee fencing bases of the state of NRW, in particular the federal base in Bonn and the state performance base in Solingen,
- Supporting the state association in coach training.

Your Profile:

- German fencing coach license level A or comparable qualification,
- Education as a competitive sports coach for children and young people,
- Willingness to undergo regular further training,
- Experience in coaching athletes of all age groups in epee fencing, especially with children and young people in competitive sports,
- Experience as a fencing coach, ideally several years of experience as a coach in a state performance base or performance-oriented fencing club,
- Experience in the planning and implementation of training sessions, individual lessons, and training camps in all age groups,

- Pedagogical skills, communicative working style, ability to work in a team, sense of responsibility,
- Flexibility and ability to work independently,
- Willingness to work evenings and weekends
- Very good written and spoken German language skills or willingness to acquire them,
- Car driver's license
- Willingness to live in Leverkusen or the surrounding area.

Our Offer:

Take advantage of TSV Bayer Leverkusen's central location between the cities of Cologne, Bonn, and Düsseldorf, which offer optimal connections and a wide range of opportunities. They offer the perfect balance between a good training environment and a high quality of life.

With numerous kindergartens and schools nearby, including international ones, as well as in the surrounding cities, there are a wide range of educational opportunities for coaches with families.

As a coach, you will find very good training and competition conditions for your athletes in Leverkusen. The club has modern training facilities, opportunities for cooperation with other sports and an affiliated part-time boarding school for young competitive athletes.

With the renowned Cologne Sports University, there are numerous further education opportunities for coaches as well as good cooperation for the targeted promotion of competitive athletes.

The trainer's equipment, mobile phone and laptop are of course provided by the club.

The usual social benefits for Germany apply, such as good health insurance or, if applicable, family insurance.

On request, the club will help you find accommodation. TSV Bayer Leverkusen also offers a German course for foreign coaches to make their start in Germany easier.

As part of a financially stable club, they receive administrative support from a dedicated office and can concentrate fully on their coaching role.

If you are looking for a dynamic environment in which to live your passion for fencing and take your coaching career to the next level, then TSV Bayer Leverkusen is the club for you!
