Your Tasks:

- Responsibility for competitive training and competition support at the State Training Center in Leverkusen and at national and international competitions,
- Independent coordination of the necessary tournaments in cooperation with the Department secretariat,
- Organization and implementation of training as part of cooperation projects at other bases,
- Organization and implementation of tournaments and competitions of the club and the higher-level associations,
- Organization and implementation of training camps,
- Further development of fencing and athletic skills of the entire fencing department to international level in cooperation with the other fencing coaches in Leverkusen

Further development to head coach possible.

Your Profile:

- Recognized coaching qualification (at least German Trainer-A incl. weapon-specific specialization in epee or equivalent qualification),
- Several years of experience in fencing in training and competition coaching,
- Strong training pedagogical skills,
- Confident appearance, persuasiveness, and assertiveness,
- Very good communication skills,
- Ability to work in a team,
- Very good knowledge of German (or English and willingness to learn German),
- Efficient and cost-conscious use of available resources,
- Willingness to travel for competitions training camps
- Car driver's license

Our Offer:

Take advantage of TSV Bayer Leverkusen's central location between the cities of Cologne, Bonn, and Düsseldorf, which offer optimal connections and a wide range of opportunities. They offer the perfect balance between a good training environment and a high quality of life.

With numerous kindergartens and schools nearby, including international ones, as well as in the surrounding cities, there are a wide range of educational opportunities for coaches with families.

As a coach, you will find very good training and competition conditions for your athletes in Leverkusen. The club has modern training facilities, opportunities for cooperation with other sports and an affiliated part-time boarding school for young competitive athletes.

With the renowned Cologne Sports University, there are numerous further education opportunities for coaches as well as good cooperation for the targeted promotion of competitive athletes.

The trainer's equipment, mobile phone and laptop are of course provided by the club.

The usual social benefits for Germany apply, such as good health insurance or, if applicable, family insurance.

On request, the club will help you find accommodation. TSV Bayer Leverkusen also offers a German course for foreign coaches to make their start in Germany easier.

As part of a financially stable club, they receive administrative support from a dedicated office and can concentrate fully on their coaching role.

If you are looking for a dynamic environment in which to live your passion for fencing and take your coaching career to the next level, then TSV Bayer Leverkusen is the club for you!
